FONA Named to Crain's List of Chicago's Largest Privately Held Companies

Geneva, IL, May 6, 2015 - FONA International was named to the Crain's list of Chicago's Largest Privately Held Companies based on 2014 revenue. The list includes firms in the six-county region: Cook, DuPage, Kane, Lake, McHenry and Will. According to Crain's, the 303 companies on the list brought in more than \$365.5 billion in revenue last year. Altogether, they employ more than 140,000 people in the Chicago area.

About FONA International, Inc.

Founded in 1987, FONA International creates and manufactures flavors for many of the largest food, beverage, nutraceutical and pharmaceutical companies in the world. It offers flavor solutions for the confection, grain, beverage, performance nutrition, OTC and emerging markets from its state-of-the-art, 33-acre campus in Geneva, IL. FONA International has established a reputation as the forward-thinking, independent solution provider in the very competitive flavor industry.
