

SEASONAL FLAVORS

Alcoholic Beverages

Creativity is key to success within the alcohol industry and that includes seasonal innovations. These can drive interest, create insta-worthy buzz and increase sales/awareness all while delivering on consumer demand for all things seasonal.

No longer is seasonal only a fall, pumpkin flavor event. Consumers crave seasonal flavors year-round – in a wide range of options. Let's take a look at the trends and data our experts are spotting now.

WHAT'S THE BUZZ?

51%

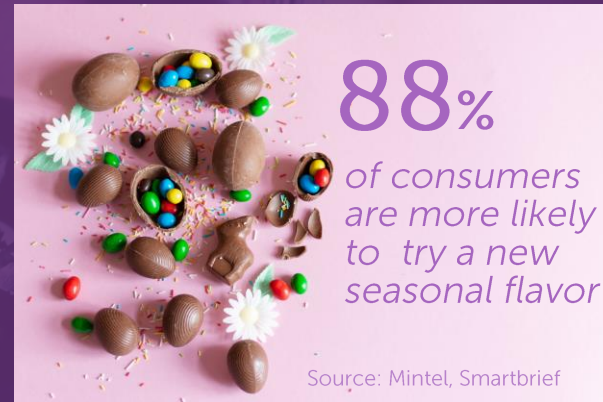

Of consumers are *most excited* about Fall seasonal flavors
